NOTES TO THE ACCOUNTS FOR THE PERIOD ENDED MARCH 31, 2015

1. GENERAL INFORMATION

Ample Securities (Private) Limited was incorporated as a private limited company under the Companies Ordinance, 1984 on June 12, 2002. The registered office is situated at 209, 2nd floor Business & Finance Centre, I.I. Chudrigar Road, Karachi. The Company is a Trading Right Entitlement Certificate Holder of the Karachi Stock Exchange Limited and is engaged in the business of Stock brokerage and investment.

2. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

2.1 Statement of Compliances

These Financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan and the requirements of the Companies Ordinance, 1984. Approved Accounting Standards comprise of such International Accounting Standard as notified under the provisions of the Companies Ordinance, 1984. Whereever, the requirements of the Companies Ordinance, 1984, or directives issued by the Securities and Exchange Commission of Pakistan differ with the requirements of these Standards, the requirements of the Companies Ordinance, 1984 or the requirements of the said directives take precedence.

2.2 Basis of measurement

These accounts have been prepared under the historical cost convention, without any adjustments for the effects of inflation or current values except for financial assets which are taken over on fair value basis.

2.3 Functional and presentation currency

hese financial statements are presented in Pakistan Rupees which is also the company's financial currency. All financial information presented in Pakistan Rupees has been rounded to the nearest rupee.

2.4 Use of significant estimates and judgments

The preparation of financial statements in conformity with approved accounting standards requires management to make judgment, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expense.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgment about carrying value of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which estimates are revised if the revision effects only that period, or in the period of the revision and future periods if the revision effects both current and future periods.

Judgments made by management in the application of approved accounting standards that have significant effect on the financial statements and estimates with a significant risk of material adjustments in the next year are discussed in the ensuing paragraphs.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted in the preparation of these financial statements are set out below:

3.1 Taxation

The provision for current taxation is based on taxable income at the current rates of taxation. The company does not provide for deferred taxation as the timing differences are not likely to reverse in the foreseeable future.

3.2 Property and equipment

- i) These are stated at cost less accumulated depreciation and impairment losses, if any;
- Depreciation is charged on assets capitalized during the year considering the date of purchase and on disposals upto the month immediately preceding the disposal.
- Maintenance and normal repairs are charged to income as and when incurred. Major renewals and improvements are capitalized;
- iv) Gain and losses on disposal of fixed assets, if any, included in profit and loss account currently;
- v) The Company reviews the useful lives and residual value of its assets on regular basis. Any change in the estimates in future years might affect the carrying amounts of the respective items of property, plant and equipment with a corresponding effect on the depreciation charge.

3.3 Impairment of non-financial assets

Assets that are subject to depreciation /amortization are reviewed at each balance sheet date to identify circumstances indicating occurrence of impairment loss or reversal of previous impairment losses. As impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost to sale and value in use. Reversal of impairment loss is restricted to the original costs of the asset.

3.4 Intangible assets

An intangible asset is recognized as an asset if it is probable that the economic benefits attributable to the assets will flow to the company and cost of the asset can be measured reliably.

3.5 <u>Investments</u>

All investments are initially recognized at fair value, being the cost of the consideration given including transaction cost associated with the investment, except in case of held for trading investments, in which case the transaction costs are charged off to the profit and loss account.

All purchases and sales of securities that require delivery within the time frame established by regulation or market convention such as 'T+2' purchase and sales are recognized at the trade date. Trade date is the date on which the Company commits to purchase or sale an asset.

The management determines the appropriate classification of the investment made by the Company in accordance with the requirements of International Accounting Standards (IAS) 39: 'Financial Instruments: Recognition and measurement at the time of purchase.

my

The Company classifies its investments in the following categories.

Held-to-maturity investments

Investments with a fixed maturity where the Company has the intent and ability to hold to maturity are classified as held-to-maturity investments. Held-to-maturity investments are carried at amortized cost using the effective interest rate method, less any accumulated impairment losses.

Available-for-sale

Investments intended to be held for an indefinite period of time, which may be sold in response to needs for liquidity or changes in market prices, are classified as 'available-for-sale' Subsequent to initial measurement, available-for-sale' investments are re-measured to fair value. Net gains and losses arising on changes in fair values of these investments are taken to equity. However, any premium or discount on acquisition of debt securities is amortized and taken to the profit and loss account over the life of the investment using the effective interest rate method. When securities are disposed of or impaired, the related fair value adjustments previously taken to equity are transferred to the profit and loss account.

Fair value for listed securities are the quoted prices on stock exchange on the date it is valued, Fair value of Term Finance Certificates, units of open end Mutual Funds and Government Securities are determined on the basis of rates notified by Mutual Fund Association of Pakistan for Term Finance Certificates, relevant redemption prices for the open-end Mutual Fund and quotations obtained from the PKRV sheets for Government Securities respectively. Unquoted securities are valued at cost.

3.6) Staff retirement benefits

There has been no policy in this respect.

3.7) Borrowing cost

Borrowing cost are recognized as an expense in the year in which they are incurred, except to the extent that they are directly attributable to the construction of qualifying assets in which case they are capitalized as part of the cost of that assets.

3.8) Revenue recognition

Brokerage and commission is recognized as and when such services are provided.

3.9) Trade debts

These are stated at net of provision for doubtful debts. Full provision is made against the debts considered doubtful.

3.10) Cash and cash equivalents

Cash and cash equivalents are carried in the balance sheet at cost. For the purpose of cash flow statement, cash and cash equivalents consist of cash in hand, balances with banks, highly liquid investment that are convertible to known amounts of cash and are subject to insignificant risk of change in value, and short-term running finance under mark-up arrangements.

3.11) Financial instrument

Financial asset and financial liabilities are recognized when the company becomes a party to the contractual provisions of the instrument and assets and liabilities are stated at fair value and amortized cost respectively. The Company derecognizes the financial assets and liabilities when it ceases to be party to such contractual provisions of the instruments. Financial instrument mainly comprise investments, trade and other receivables, cash and bank balances, deposit, borrowings, trade and other payable, accrued and other liabilities. The particular recognition methods adopted are disclosed in the individual policy statements associated with each item.

The Company has not made any provision against Workers' Welfare fund (WWF) liability, if the same were made the income of the company would be lower by the same amount.

The management believes that there is no compelling reason to record provision on account of WWF contribution in the current financial statements because the petition against the applicability of WWF pending in the Honourable High Court of Sindh on similar subject and will be decided in favour of the petitioner.
